

DOODLE EXTRAVAGANZA DAY #14 ! ANIMAL DOODLE EXTRAVAGANZA!

We are moving from flowers (flora) to animal (fauna) doodles this third week! I have so much fun doodling inside the shapes of these little creatures!

Why doodle? For relaxation, fun, and to open the mind to creativity. And it can be done in just minutes, if you like!

For a creative spark and inspiration to start, take a stroll outside to see what animals appear. Or you can use photos from magazines, books, the web or your imagination! Grab a piece of paper or sketchbook and pen along with crayons, pencils or markers to color your doodle. If it strikes your fancy, share your doodles in the comments below.

My big, big thanks to my brother-in-law, Cary DeNigris, who created the wonderful, whimsical music in the video! Happy Doodling! And being your you'est you!

DOODLE EXTRAVAGANZA DAY #16 ! CHICKS

I'm no spring chicken, but I like to nurture the
little chick inside me.

I can tend towards feeling heavy & depressed
especially on cold, dark days. Doodling helps lift
my mood, especially when I'm doodling cute
creatures. I imagine they are chirping funny
comments to me.

What about you? What helps you on dark cold
days?

Happy Doodling to you, beauties. And being your
you'est you!

DOODLE EXTRAVAGANZA #17 ! PANDA

One word for today's doodle: pandaaaaaaaaa!

(And if you want more words: try being inspired by the panda—or skunk & zebra—to doodle primarily with black & white. Then, add an accent color or two if you please.)

Happy Doodling to you, beauties. And being your you'est you!
